## NEW RHINO TILT BINS

**Tilt Bins are designed with meticulous care for storage applications where products need to be stored, viewed and retrieved quickly, whilst remaining free from dirt and dust.**

It has been designed as a two-component binning system formed of a cabinet and tilting bin, which pivots at the front bottom edge of the bin. Bins are available four heights, widths and depths.

- **Stack or interlock Tilt Bins side-by-side**
- **Use as a self-supporting structure, fix to a wall or Louvre panel using its specially designed adapter clip**
- **Large front handles with ergonomic grip**
- **Great for space saving and organising small parts**
